

Jean Lumb Public School June 2026 Newsletter

Principal's Message

Dear Families,

As June arrives, our school's energy becomes even more vibrant and spirited as we enjoy the nice weather, participate in a variety of year-end activities, and prepare for the school break. It is a time of year that is exciting for many, but it can be challenging for some, especially students who struggle with change and those moving to a new school in September. With this in mind, we will continue to focus on our core values: **Achievement, Kindness, and Empowerment**, to ensure all students feel safe, cared for and valued. I look forward to continuing our important work together and hope to see you in person in June!

Sincerely,

Diane Jamieson

Acting Principal Jean Lumb Public School

CELEBRATING OUR PROGRESS

After only a couple of weeks, I can see the incredible achievements of our students as I walk the school, observe classroom teaching and learning and see student work displayed on bulletin boards and in classrooms. Students at Jean Lumb also have numerous opportunities to learn and participate in artistic/creative endeavours, sports activities, and leadership roles. It is an engaging school environment that encourages learning and active participation!

Steel Pan: The Gr. 4-8 Steel Pan group performed at PanFest '26 at Winston Churchill CI. They performed with great confidence! Thank you to Ms. Fraser and Ms. McGann!

Towers School Band: Our Gr. 6-8 Towers School Band has over 42 members! They still want to jam each week, even though they don't have any more gigs!

Baseball: Congratulations to the Boys' Baseball Team, who played so well in their tournaments! They progressed extremely well, and we are so proud of them. Thank you to Coach David Solnicki and to the parent volunteers.

Track and Field: Over 30 of our students participated in the TDSB Track and Field meet in May. They all performed so incredibly well in a highly competitive environment! Congratulations to Iriella, Kasper, Stella and Benjamin, who have qualified for the next round on June 2nd! Thank you to Ms. Erin, Ms. Moldonado, Ms. Colleen and Ms. Wendy.

Girls at Bat: The students involved in Girls at Bat had an incredible opportunity to attend the Blue Jays School Day Game and to watch from a Box Suite!

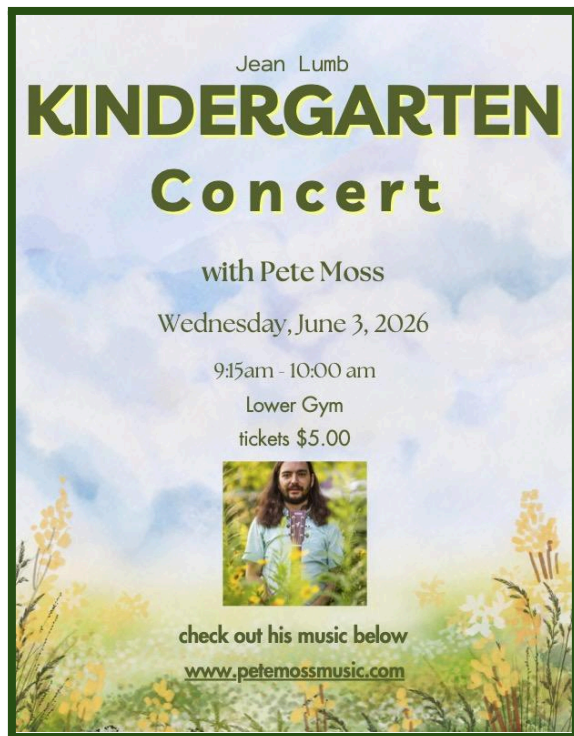

EQAO

Many of our students Grade 3 and Grade 6 students have completed their **EQAO (Education Quality and Accountability Office)** assessments. However, some Grade 3 classes will continue with the EQAO this week. To help your child feel confident and prepared, please see a few simple strategies:

- **Rest and Routine:** Ensure your child gets plenty of sleep and a nutritious breakfast.
- **A Positive Mindset:** Remind them that this is simply a chance to "show what they know."
- **Attendance:** Consistent attendance on testing days is very helpful in maintaining a calm and focused environment.

SCHOOL CODE OF CONDUCT

Our Core Value and Code of Conduct

As a school, we are dedicated to upholding the **Toronto District School Board (TDSB) Code of Conduct** and fostering a safe, respectful, and inclusive learning environment.

Our commitment is to create a community where every individual feels a sense of belonging and is empowered to thrive. We achieve this by:

Promoting Respectful Interactions: We treat all members of our school community—students, staff, and parents—with respect and dignity. We celebrate our diverse backgrounds and learn from one another's unique perspectives.

Fostering a Culture of Learning: We encourage students to be **curious and collaborative problem-solvers** who approach the world with confidence. Our focus is on supporting every student's academic and personal growth, enabling them to tackle future challenges.

Emphasizing Restorative Practices: We address conflicts and challenges through **restorative practices**, which focus on repairing harm, building understanding, and strengthening relationships. This approach allows us to learn from our mistakes and grow together as a community.

Encouraging Responsibility and Accountability: We hold ourselves and one another **accountable for our actions** and their impact on others. This includes taking responsibility for our behaviour, both in and out of the classroom, and contributing positively to our school.
